Article 4

Grievance Procedure

A. Purpose

The College and the AAUP recognize the importance of establishing a prompt, efficient, orderly, and fair procedure for resolving complaints. Nothing in this procedure shall be construed as limiting the right of an individual member of the bargaining unit to communicate with any other member of the bargaining unit or any member of the administration for the purposes of informal resolution of a complaint.

B. Definitions

1. A grievance is a complaint or allegation by a member of the bargaining unit or by the AAUP that there has been a violation, misinterpretation, or improper application of the provisions of this Agreement.
2. Time limitations provided for in this article shall be strictly observed, unless they are extended by mutual written agreement of the College and the AAUP.
3. Should the College not respond to a grievance within the time limitations specified herein, the AAUP may immediately advance the grievance to the next step in the procedure. Any grievance not timely presented at any step shall not thereafter be considered a grievance under this Agreement and shall be considered to have been resolved with the disposition of the last step of the procedure.
4. A member of the bargaining unit who participates or intends to participate in any grievance as defined herein shall not be subjected to discipline, reprimand, warning, or reprisal because of such participation or intention. All documents, communications, and records dealing with the processing of the grievance shall be filed separately from any personnel file of the participant. The participant shall have the right to examine the file and make a photocopy of its contents.
5. Any member of the bargaining unit presenting a grievance at any step of the procedures described herein may choose to be accompanied by a representative of the AAUP. All parties involved in the grievance shall have the right to have legal counsel present at any step of the procedure.

C. Informal Resolution of Grievances

Nothing shall be construed as limiting the right of the grievant or of the AAUP to present a formal grievance within the 30-day timelines as specified in D(3) of this article. When advancing a grievance to the first formal step at D(3) of this article, the AAUP shall document that an attempt was made to resolve the issue at the lowest appropriate administrative level.

D. Formal Grievance Procedure

1. In the event that a complaint cannot be resolved informally, the parties shall pursue the first step in the formal grievance procedure before making any application for arbitration, unless the College and the AAUP agree in writing to alter the procedure or waive one or more of the steps by proceeding directly to arbitration.
2. Upon written request of the AAUP Contract Compliance Officer, the College shall submit any requested documents in its possession which may be necessary for investigation of the grievance. The College shall deliver such documents as soon as is reasonably possible, but no later than seven (7) days after receipt of a written request.
3. Internal Steps in the Procedure
 - a. Step One: The Director of Human Resources
 - (1) Within thirty (30) days of when the AAUP learns of, or in the exercise of reasonable diligence should have learned of, an alleged violation of the provisions of this Agreement, the AAUP shall submit to the Director of Human Resources a completed Faculty Grievance Form or a dated, signed, written description of the grievance, clearly labeled "grievance" containing substantially the same information as provided for on the Faculty Grievance Form.
 - (2) Within eight (8) days of receipt of the written grievance, the Director of Human Resources shall convene a meeting to discuss the grievance. Such meeting shall include the grievant(s) and/or the designated representative(s) of the AAUP and shall be scheduled at a time which is mutually convenient to the parties.
 - (3) The Director of Human Resources shall attempt to determine the facts pertaining to the grievance and shall notify the grievant and the AAUP in writing of his/her decision within eight (8) days in a Grievance Disposition Form or in a document containing substantially the same information as contained in a Grievance Disposition Form, which shall include written details of the reasons which support the decision.

- (4) Within eight (8) days after receipt of the disposition of the Director of Human Resources, the AAUP may appeal the decision in writing to the College Grievance Officer, by submitting a Grievance Disposition Reaction Form or a document containing substantially the same information as contained in a Grievance Disposition Reaction Form.
- (5) By agreement, the parties may decide to advance the grievance to step two of the procedure, or to appeal directly to arbitration at step D(4) of this article.

b. Step Two: The College Grievance Officer

- (1) Within eight (8) days of receipt of the written grievance appeal, the College Grievance Officer shall convene a meeting to discuss the grievance. Such meeting shall include the grievant(s) and/or the designated representative(s) of the AAUP and shall be scheduled at a time which is mutually convenient to the parties.
- (2) The College Grievance Officer shall attempt to determine the facts pertaining to the grievance and shall notify the grievant and the AAUP in writing of his/her decision within eight (8) days after the meeting. Should the disposition be negative, the College Grievance Officer shall include written details of the reasons which support the disposition.
- (3) Within thirty (30) calendar days after receipt of the College Grievance Officer's written disposition, the AAUP may appeal the College Grievance Officer's decision to arbitration.
- (4) The AAUP, at its sole discretion, shall decide whether or not a particular grievance shall be submitted to arbitration. The AAUP shall indicate its intention to appeal to arbitration by submitting such intention in writing to the College Grievance Officer.

4. Arbitration

- a. Should the AAUP submit to the College Grievance Officer an appeal to arbitration, the representatives of the College and the AAUP shall meet within ten (10) days to select an arbitrator by mutual written consent or to request either the American Arbitration Association or the Federal Mediation and Conciliation Service to supply them with a list of seven (7) names from which they will select an arbitrator. In the event that the parties cannot agree on which agency to ask for a list of arbitrators, the American Arbitration Association shall be used.
- b. Within seven (7) days of receipt of the list of arbitrators, the College and the AAUP shall, by the alternate striking of names, select an arbitrator.
- c. In rendering a decision, the arbitrator shall be bound by the provisions of this Agreement.
- d. The terms of this Agreement shall not be subject to arbitration.

- e. The arbitrator shall have authority to remedy the issues submitted in a manner consistent with the terms of this Agreement, provided that where a grievance is based upon an alleged violation of procedures contained in this Agreement, the arbitrator's authority shall be limited to requiring compliance with the procedures mandated by this Agreement. The decision of the arbitrator shall be binding on both parties.
 - f. The arbitrator shall have no authority to resolve any issue not submitted to him or her.
 - g. All fees and expenses of arbitration shall be equally divided between the parties.
5. At any time during the Formal Grievance Procedure, the parties may, by mutual written agreement, attempt to resolve the grievance through an Alternative Dispute Resolution (ADR) Process, such as Grievance Mediation. Should such an option be agreed to, time limits in the normal Grievance Procedure shall be held in abeyance during the ADR process. Any costs incurred shall be shared equally by the parties.

3. Anticipated Vacancies – All full-time bargaining unit employees who are considering retirement or resignation shall notify the College in writing of such decision as soon as is reasonably possible.
 - a. When the hiring manager learns of a possible vacancy he/she shall consult with the appropriate divisional, program, and/or department stakeholders to determine what to do about the vacancy, including the possible publishing of notices regarding “Anticipated Vacancies.”
 - b. In the event of a proposed reassignment to fill a vacant position, the chair of the appropriate program or department shall be consulted to determine the appropriate credentials for the position.
 - c. Requests to fill or not to fill the vacant position, or create an alternative position in its place, shall be made with as much lead time as possible, to allow for effective screening and a seamless transition.
4. Failed Search – Should a newly hired academic administrator terminate within 90 days, or in the case of a faculty member, within the period for non-renewal in the first year, it shall be assumed that another approval for the position is not required. If the position is designated as frozen, it shall be assumed that approval is not required when the position no longer has the frozen designation.

D. Search Process for Bargaining Unit and Academic Administrator Positions

1. Appointing the Screening Committee – Once a position has been approved for selection and appointment, a screening committee appropriate to the position being filled shall be established as follows:
 - a. Bargaining Unit position. A Screening Committee shall be appointed consisting of five (5) members. Three (3) of these members shall be appointed by the Faculty Senate, preferably from the affected program or department. Should the Faculty Senate appoint an individual from outside the College to any of these positions, the appropriate Dean shall be informed as soon as is reasonably possible of the identity of the individual and the reason for the outside appointment. Two (2) of these members shall be appointed by the appropriate Vice President, in consultation with the hiring manager. When appointing members of the

committee, the parties recognize their obligation for non-discrimination and affirmative action as set forth in Article 2.

- b. Academic Administrator Position. To ensure faculty input in hiring of academic administrators, a five-person Screening Committee shall be appointed. The Faculty Senate shall appoint two (2) members of the committee. Should the Faculty Senate appoint an individual from outside the College to either of these positions, the Administration shall be informed as soon as is reasonably possible of the identity of the individual and the reason for the outside appointment. Three (3) members shall be appointed by the appropriate Vice President, or if the vacant position is a Vice President, by the College President.
 - c. The Faculty Senate shall endeavor to make its appointments to Screening Committees within 10 days of notification by the appropriate Vice President, or if the vacant position is a Vice President, by the College President.
 - d. Non-Academic Administrator Position. When a Screening Committee is appointed to recommend candidates for a new or vacant position for a non-academic administrator with bargaining unit members in his/her direct reporting line, the hiring manager shall endeavor to appoint at least one faculty member to the committee. The hiring manager may seek input from the Faculty Senate.
- 2. If a member of the Screening Committee appointed by the Faculty Senate is on his/her non-teaching semester, or otherwise unavailable during the time the Screening Committee is establishing procedures, reviewing applications, determining candidates to be interviewed, and conducting interviews, the Faculty Senate shall, within 10 days, appoint a new member. If the Faculty Senate is unable to do so, the committee shall proceed with fewer members.
- 3. If a member of the Screening Committee appointed by the Administration is on vacation or otherwise unavailable during the time the Screening Committee is establishing procedures, reviewing applications, determining candidates to be interviewed, and conducting interviews, the Administration shall, within 10 days, appoint a new member. If the Administration is unable to do so, the committee shall proceed with fewer members.
- E. Establishing the Screening Committee Procedures, Position Expectations, and Scope of the Search
 - 1. The Screening Committee, with all members present, shall endeavor to meet within 10 days of the appointment of the Committee to select a chair, complete the tasks described in the following paragraph, receive orientation on the search, and develop an interview process. The Human Resources Department shall convene the first meeting. Every effort shall be made to schedule meetings at mutually convenient times.
 - 2. The Screening Committee, with all members present, shall consult with the hiring manager, the Human Resources Liaison, and, when applicable, the appropriate executive-level administrators to review the position opening announcement, clarify requirements and expectations for the position to be

filled, gain understanding of the profile of the candidate the committee seeks, and provide recommendations on recruiting sources. The committee may also consult with other stakeholders who contributed to the formation of the position description as described in A(7) above. The committee may recommend that applicants be required to submit specialized application materials (for example, a portfolio of professional work samples) and /or recommend that applicants be notified of special interview requirements (for example, a teaching demonstration or professional skills demonstration).

3. The Screening Committee shall keep in mind that the College is committed to creating and maintaining diversity in its employee group and it shall therefore, in consultation with the Human Resources Liaison, establish clear guidelines for consideration of race, ethnicity, gender, disability, and other factors which may have an impact on the diversity of the workforce.
 4. An internal search shall be conducted before any external search begins. The Screening Committee, in collaboration with the hiring manager and the Human Resources Department, will determine whether the internal pool includes appropriate diversity to proceed with screening activities.
 5. Candidates will be asked to submit their resumes and letters of interest to the Human Resources Department for review and transmittal to the Screening Committee.
- F. Initial Review of Responses for Bargaining Unit and Academic Administrator Positions
1. The Human Resources Department shall collect all resumes and other relevant application materials which were submitted in response to the new or vacant position and shall make copies of all materials, as electronic files, available on line for access by all committee members.
 2. The Human Resources Department shall notify the candidates, acknowledging receipt of their resumes and letters of interest and other relevant application materials, and informing them of the time line for the search.
 3. The Screening Committee shall endeavor to screen the applicants' resumes and other application materials within 20 days of the appointment of the Committee to determine which, if any, candidates it wishes to interview. The committee will send this list to the Human Resources Liaison, along with a schedule for conducting interviews. Such interviews shall be conducted expeditiously.
 4. The Human Resources Department shall contact the candidates, establish an interview schedule, and facilitate any travel arrangements that may be necessary. Travel expenses will be paid by the College.
 5. For candidates who are to be interviewed in person, the Screening Committee, in conjunction with the Human Resources Department, shall make appropriate arrangements for hosting candidates.

6. The Human Resources Department shall verify the credentials and/or check the references of the candidates being considered for referral to the hiring manager and may do so at any point during the process.
 7. If the Screening Committee determines that there are no viable candidates in the pool of resumes, it shall so advise the Human Resources Liaison. The committee may recommend that the search be re-opened and may recommend revisions to the position opening announcement and/or the recruiting sources.
 8. The Chair of the Screening Committee shall submit to the Human Resources Liaison a list of the candidates eliminated from consideration, and the Human Resources Department shall notify those candidates, after the position has been filled.
- G. Initial Interview Process for Bargaining Unit and Academic Administrator Positions
1. The Human Resources Department will assist the Committee by providing training and understanding of the legal obligations of the employer.
 2. The Screening Committee, in consultation with the Human Resources Liaison, shall determine the process it wishes to use to interview candidates. If possible, the process should be established during the meetings described in C(2) above. The Screening Committee may decide to interview candidates by telephone, video conference, or other means.
 3. The Screening Committee shall conduct its interviews and shall make its recommendations to the hiring manager, with a copy to the Human Resources Director. The Committee may recommend that the hiring manager interview one or more candidates. The Committee shall endeavor to recommend at least two candidates whenever feasible.
 - a. At its discretion, the committee may communicate a description of the relative strengths and weaknesses of the candidate(s) it recommends.
 - b. The Screening Committee may recommend that there is no viable candidate to send forward and that the search be re-opened, and may recommend revisions to the position opening announcement and/or the recruiting sources.
 4. The Chair of the Screening Committee shall submit to the Human Resources Liaison a list of the candidates eliminated from consideration, and the Human Resources Department shall notify those candidates, after the position has been filled.
- H. Subsequent Interview Process for Bargaining Unit and Academic Administrator Positions
1. The hiring manager shall interview the candidate or candidates recommended by the Screening Committee. After interviewing the candidate(s), the hiring manager may recommend making an offer of employment. Upon such recommendation, the candidate shall be

interviewed by the appropriate Vice President and/or the President of the College.

2. If the hiring manager, the Vice President or the President finds none of the candidates recommended by the Screening Committee to be suitable, he/she will consult with the Chair of the Screening Committee and the appropriate program or department chair regarding re-opening the search and/or revising the position expectations and scope of the search, as described in E(2) above.
- I. Making the Offer for Bargaining Unit and Academic Administrator Positions
1. If the hiring manager, the appropriate Vice President, and/or the President decide that a candidate should be made an offer of employment, the Human Resources Department shall recommend what salary and other compensation should be offered. All offers shall be tendered by the Human Resources Department. Offers made for faculty positions shall include a copy of the current collective bargaining Agreement.
 2. If a candidate is given an offer of employment with the College and turns it down, or is otherwise not willing or able to fill the position, the hiring manager and/or the Vice President or the President may consider offering employment to one of the other candidates in the pool of candidates initially interviewed by the hiring manager. If no such candidates are available, the search will be re-opened.
- J. Selection and Appointment of the College President
1. Joint effort of the most critical kind must be taken when the College needs to choose a new president. The selection of a chief administrative officer should follow upon cooperative search by the Board of Trustees and the faculty, and such other persons as the Board of Trustees determines to be appropriate, taking into consideration the opinions of others who are appropriately interested.
 2. When the Board of Trustees conducts a search for a new College president, the Faculty Senate shall be permitted to appoint at least three faculty members to participate in the search process.
 3. The process used to conduct a search for a new College president shall endeavor to maintain an appropriate balance between confidentiality and transparency.
- K. Selection and Appointment of Adjunct Faculty
- The parties recognize that adjunct faculty are not members of the bargaining unit. However, because adjunct faculty work closely with the program or department faculty and program or department Chairs, adjunct faculty assignments shall be made with advice from the program or department Chairs of the academic division in which the adjunct will be assigned. The adjunct appointee credentials must be consistent with the posting requirements. If an adjunct is assigned over the written objection of the Chair, the reasons shall be communicated to the Chair.

Article 8

Compensation

A. Current Faculty Members

Effective with this Agreement, members of the bargaining unit shall earn Success Incentives Compensation, using the criteria described in Appendix 1.

B. Increase in Compensation for Earning Tenure Status

The base salary of any faculty member who is awarded tenure during the term of this Agreement shall increase by three percent (3%), effective with the next pay period after the award of tenure.

C. Longevity Pay

1. Upon completion of eight (8) full years of service to the College, members of the bargaining unit shall have their base salaries increased by three percent (3%), effective with the start of the next contract year. If, after said increase, any faculty member crossing this threshold, whose base salary is not equal to the minimum starting salary for that year multiplied by 1.061 in the appropriate column based on his/her credentials, shall have his/her salary adjusted upward to at least that minimum.
2. Upon completion of ten (10) full years of service to the College, members of the bargaining unit shall have their base salaries increased by three percent (3%), effective with the start of the next contract year. If, after said increase, any faculty member crossing this threshold, whose base salary is not equal to the minimum starting salary for that year multiplied by 1.093 in the appropriate column based on his/her credentials, shall have his/her salary adjusted upward to at least that minimum.
3. Upon completion of fifteen (15) full years of service to the College, members of the bargaining unit shall have their base salaries increased by three percent (3%), effective with the start of the next contract year. If, after said increase, any faculty member crossing this threshold, whose base salary is not equal to the minimum starting salary for that year multiplied by 1.126 in the appropriate column based on his/her credentials, shall have his/her salary adjusted upward to at least that minimum.
4. Upon completion of twenty (20) full years of service to the College, members of the bargaining unit shall have their base salaries increased by three percent (3%), effective with the start of the next year. If, after said increase, any faculty member crossing this threshold, whose base salary is not equal to the minimum starting salary for that year multiplied by 1.159 in the appropriate column based on his/her credentials, shall have his/her salary adjusted upward to at least that minimum.
5. Upon completion of twenty-five (25) full years of service to the College, members of the bargaining unit shall have their base salaries increased by

three percent (3%), effective with the start of the next contract year. If, after said increase, any faculty member crossing this threshold, whose base salary is not equal to the minimum starting salary for that year multiplied by 1.194 in the appropriate column based on his/her credentials, shall have his/her salary adjusted upward to at least that minimum.

D. Overload, Professors Emeriti, and Retirees

Those members of the bargaining unit who work an overload and all members of the bargaining unit who retire in good standing, with fifteen (15) or more years of service to the College, who perform adjunct work shall be paid overload at the following rate:

- Effective for the year 2018-2019 - \$660 per unit
- Effective for the year 2019-2020 - \$687 per unit, due to the elimination of the opt-out cash waiver in the 2019-2020 year (described in Article 12(G)(3)).

E. New Faculty Members

The minimum salary for new faculty members employed after the effective date of this Agreement shall be as follows:

Bachelor's Degree or Equivalent	Master's Degree or Equivalent	Doctorate or Equivalent
\$58,199	\$63,703	\$69,206

F. Appointment of Administrators to Faculty Positions

With the exception of those individuals named in Board of Trustees Resolutions 91.24 and 95.45, any current administrator or future administrator who is granted faculty tenure during the period of this Agreement and who is subsequently appointed to a faculty position within the bargaining unit shall earn a faculty base salary that is no greater than that of the highest paid faculty member with similar years of service and credentials.

G. Mileage Reimbursement

Faculty members who qualify for reimbursement for mileage for using their own cars for authorized College business shall be reimbursed at the rate set annually by the IRS.

H. Compensation at Retirement or Resignation Prior to Completion of a Contract Year

The compensation for a member of the bargaining unit who leaves the College through retirement or resignation prior to the completion of a contract year shall be calculated as follows:

$$\frac{\text{No. of Work Days Completed}}{180} \times \text{Annual Base Salary}$$

For any member of the bargaining unit who leaves the employment of the College before completing 180 days of service, the annual individual compensation rate shall be the amount in effect at the beginning of the contract year plus the appropriate portion of any raise to that amount which becomes effective while the faculty member is still an active employee.

For members of the bargaining unit who complete 180 days of service, the amount will be the amount of the annual individual contract.

This provision does not affect the bi-weekly payroll schedule of the College of twenty-six payments.

If a member of the bargaining unit leaves the employment of the College through resignation or retirement during the contract year and has received more compensation than the employee earned using the above formula, the bargaining unit member will be liable for reimbursing the College the amount of the overpayment.

This provision does not affect the benefits available to the members of the bargaining unit as identified in the contract.

Article 9

Workload

A. Faculty Whose Work is Measured in Days

Members of the bargaining unit who are Advisors, Librarians (Coordinator of Information Services and Coordinator of Technical Services), Instructional Designers, and Counselors/Psychologists will work 180 days annually on a flexible time off schedule. Days off and work schedules will be arranged in conjunction with, and approved by, the appropriate dean or director and will include a minimum of two consecutive weeks off if requested by the member of the bargaining unit.

B. Faculty Whose Work is Measured in Workload Units

Members of the bargaining unit whose work will be measured in units are professors and instructors, and those professors and instructors who have assignments in addition to instruction, including program chairing duties.

- All members of the bargaining unit whose work is measured in units shall have Summer as their non-teaching semester, unless an exception is made by the Dean.
- Workload for each member of the bargaining unit whose work is measured in units shall be a minimum of thirty (30) workload units per academic year.
- Compensation for units which cause the faculty member's load to exceed 15 units per semester shall be paid within the semester in which the overload is incurred. The faculty member may agree to waive such compensation as trade-off against a lighter workload in another semester.

Work shall be distributed over 180 days per year, according to the following:

- Two teaching semesters: 150 days
- Preparation and grading: up to 8 days
- In-service and convocation: up to 4 days
- Office hours (10 hrs/week): 8 days (equivalent)
- Service to the College: up to 10 days

A faculty member may elect to spread teaching over three semesters. The choice to distribute teaching over three semesters does not relieve faculty members of service to the College or in-service activities.

C. Course Maximums for Faculty Whose Work is Measured in Workload Units and Number of Course Sections

For faculty members whose workload is based on course section counts, the maximum number of course sections that any instructor may be assigned shall be five (5) per semester, to a maximum of ten (10) course sections per year.

1. Ten course sections per year shall be considered a full-time workload, beyond which the assignment of any faculty responsibilities other than

instruction shall be considered overload and shall be compensated within the semester in which the overload was incurred.

2. Semester workload for these faculty members may exceed fifteen (15) units, to a maximum of sixteen (16) units, with the faculty member compensated for the additional unit during the semester. The faculty member may agree to waive such compensation as trade-off against a lighter workload in another semester.

D. Workload for New Faculty

New faculty members who begin work after the conclusion of the Fall Semester shall have their workload adjusted accordingly. New faculty who begin work in the Spring semester shall have workloads not to exceed the workload maximums above. Those who begin work in the Summer semester shall have workloads not to exceed fifty (50) percent of the above annual maximums.

Newly-hired faculty members shall start work approximately four (4) weeks before the start of any semester. New faculty who begin work while a semester is in session or between semesters shall not have teaching responsibilities before the start of their first full semester. They shall spend their non-teaching time participating in College and divisional orientation activities and preparing for teaching. For the purpose of calculating service toward tenure, a year is defined in Article 13(C)(1).

E. Workload and Sabbatical

Faculty members who are on sabbaticals or other approved leaves shall have their maximum annual workloads reduced by 50 percent per semester of such leave.

F. Annual Projection of Workload

By August 1 of each year, the academic deans or their designees shall consult with the faculty members of their divisions to establish the faculty member's projected workload and annual service plan for the upcoming academic year, including the faculty member's non-teaching semester. Such workload projections shall identify projected contact hours, program chair base units, program chair FTE units, extra preparation units, special project units, and any units assigned for faculty responsibilities in lieu of instruction.

Note: It is understood that the needs of the students and the curriculum require that this projected workload remain flexible. The intent of this provision is that the division dean and the faculty member have a shared understanding of semester-to-semester as well as annual workload, including determining which units in a particular semester might, from time to time, constitute an overload. Deviations from the projected workload shall occur with the understanding of both the division dean and the faculty member. Faculty members shall be informed of their semester assignments and schedule as early as is reasonably possible.

1. Administration shall not assign to faculty members classes as part of regular workload such that from the beginning of the first assignment to the end of

the last assignment of the day, more than twelve (12) hours would elapse, unless agreed upon by the faculty member.

2. For classes assigned by the administration as part of regular workload, at least eleven (11) hours shall have elapsed from the end of the last assignment of one day to the beginning of the first assignment of the next day, unless agreed upon by the faculty member.
3. Faculty may not be required to have responsibilities on the Clifton campus and the Middletown campus during the same work day, unless agreed upon by the faculty member.

G. Workload Unit Assignment

Units shall be awarded as follows:

1. One unit for each contact hour.
2. One unit for each different preparation more than three per semester, unless the extra preparation results from a compensated overload assignment. (Faculty members shall be compensated for extra preparation units during the semester in which said unit(s) are incurred.)
3. Units may be assigned by the bargaining unit member's division Dean for special projects or responsibilities.
4. In recognition of the fact that the Health & Public Safety Division does not have full-time cooperative education coordinators, three (3) units shall be assigned for each academic semester to each faculty member who performs such clinical or cooperative education coordination responsibilities.

In addition to the three (3) units, clinical and cooperative education workload units shall be awarded as follows:

- a. Faculty members whose clinical or cooperative education responsibilities require on-site student instruction shall receive one (1) workload unit for each contact hour of such clinical instruction.
 - b. Faculty members whose clinical or cooperative education responsibilities include duties other than direct student instruction shall receive .33 workload units for each student enrolled in such clinical or cooperative education experience.
5. The Administration and the AAUP agree to examine the criteria for recognizing Health & Public Safety Division clinical workload, defined in Section 4 above, as described in the Memorandum of Understanding in Appendix 2.

H. Requests for Overload

Full-time faculty may request overload duties beyond the assigned workload and will be given reasonable consideration in the assignment of overload responsibilities. Full-time faculty members shall be given preference for overload

for courses which, within two (2) calendar weeks prior to the start of an academic semester, still do not have an instructor assigned to them.

1. The maximum instructional overload assigned to a faculty member shall be ten (10) units during a teaching semester, and fifteen (15) units during a non-teaching semester, or an approximate annual maximum of thirty-five (35) instructional overload units.
2. Under extraordinary circumstances, the Academic Vice President/Provost may override the limits to instructional overload.

I. Office Hours and Availability

1. A faculty member whose work is measured in units must also be available for ten (10) office hours per week.
 - a. Faculty members shall hold office hours during times convenient to students, and shall schedule all office hours, including virtual office hours, using Starfish scheduling software.
 - b. A minimum of eight (8) in-the-building office hours shall be scheduled on multiple days each week and shall occur in the faculty member's office or other facility used by the College and convenient for students.
 - c. Faculty members may utilize up to two (2) of the ten required office hours to conduct virtual office hours.
 - d. Faculty members teaching online courses may substitute up to two (2) of the eight (8) in-the-building office hours to conduct additional virtual office hours.
 - e. Virtual office hours may be conducted on or off campus, but must be scheduled in Starfish as indicated in I(1) above. Virtual office hours may be conducted using telephone, text-messaging, e-mail, online chat rooms, video chat, audio chat, and/or other types of electronic communication.
2. An instructor is expected to spend the remainder of the week preparing to teach, grading exams, setting up labs (it is understood, however, that certain labs which require additional time or attention because of the need for fresh material or specific faculty attention, may require special project units as described in G(3) of this article), interacting with students and prospective students, doing committee and accreditation work, and performing other functions typically performed by college faculty.
3. In addition to the ten (10) office hours, Program Chairs and Department Chairs, in consultation with their Deans, will develop mutually agreeable methods through which they will establish their availability for the remainder of the week.
4. Faculty members shall remain cognizant of the needs of students and hold additional office hours if overload sections create demand that is unsatisfied by the standard number of office hours.

5. Faculty members who teach overload courses during their non-teaching semester will hold office hours, virtual or in-the-building, proportional to a those in a regular teaching semester, based on the amount of overload (e.g., if teaching 15 overload hours, then hold 10 office hours; if teaching 6 overload hours, then hold 4 office hours, etc.).

J. Faculty Service to the College

In addition to responsibilities described in previous sections of this article, faculty members are expected to provide service that supports the College mission.

1. Service activities are an extension of the faculty member's professional skills, and/or activities that support the strategic goals of the College.
2. Service activities exclude membership on College standing committees and College ad hoc committees, membership on division/department committees, activities that are part of a faculty member's regular responsibilities as a program or department chair, and in-service activities expected of all faculty (such as attendance at Convocation and Commencement).
3. Faculty members, in consultation with their division Dean (or designee), shall submit by August 1 an annual plan for their service activities. Specific service activities may also require consultation with the College department where the faculty member will perform service activities. The annual plan shall be reviewed as part of the faculty member's annual evaluation.

Annual plans for service activities shall remain flexible since the needs of the College might change during the year and faculty members' participation might be needed for services not anticipated during the creation of annual plans.

4. Service activities may be performed during a faculty member's teaching or non-teaching semester, or on days when classes are not in session.
5. Service activity categories include, but are not limited to:
 - a. Student success/persistence/retention in in-person or online environments.
 - b. College recruiting/marketing/enrollment.
 - c. College revenue-generating.
 - d. Community partnerships and outreach.
 - e. Accreditation-related activities (College-wide or programmatic).
 - f. Professional development delivery (on- or off-campus).

K. Program Chair Workload Units and Responsibilities

1. Each program chair will receive four (4) workload units each semester for his or her work as chair, and shall not be assigned more than four (4) classes in any one semester. The four (4) workload units assigned to program chairs shall be considered the "base."
 - a. The "base" of four (4) units assumes a program of up to and including forty (40) FTE students registered in the program, not counting students

in pre-technology status.

- b. The program earns one unit for each official “option” or “major,” as approved by the Ohio Department of Higher Education, over and above the base program or “cluster.”
 - c. If a program is larger than 40 FTEs, the program earns one additional unit for the forty-first (41st) student up to a size of 60 FTEs, and an additional unit each time a threshold of 20 FTE students is crossed.
2. Following any year in which a program falls below 20 FTEs (as calculated in this Article), the Dean shall notify the program chair in writing, with copies to the President of the Faculty Senate and the President of AAUP, that the program will be officially designated a “small program” in the next academic year, and the following process shall begin:
 - a. Step One: In year one of receiving “small program” designation, workload shall be assigned normally, with a base of four (4) units for chair work.
 - b. Step Two: If a program falls below 20 FTEs for a second year, workload shall be reduced to three (3) units for chair work.
 - c. Step Three: If a program falls below 20 FTEs for a third year, workload shall be reduced to two (2) units for chair work.
 - d. If, during any year of “small program” designation, the annual program calculation rises above 20 FTEs, “small program” designation shall be removed and workload shall be calculated normally.
 - e. If a program rises above 20 FTEs, causing it to lose “small program” designation, and falls again below 20 FTEs in subsequent years, the process shall begin at step 1.

The parties recognize the need for flexibility with regard to new or rapidly changing programs. If extenuating circumstances exist that cause a program’s size to be less than 20 FTEs, the parties may agree to delay assignment of small program designation.

3. Where, upon agreement of the program chair, the division dean, and the affected other faculty members, the duties of program chair are divided between or among two or more people, workload units for that program shall be divided among those performing the duties.
 4. For purposes of this Article, FTE’s shall be defined as the average number of FTE students registered in a program on the fourteenth (14th) day of the previous three semesters, beginning with the Summer semester and ending with the Spring semester, not counting students in pre-technology status. Each academic semester, the Administration shall supply to the Program Chairs a list of the names of all students registered in their programs and the students’ status as either full admits or pre-tech admits. The Program Chairs shall work with the Administration to insure the accuracy of the data.
 5. Whether a certificate director receives additional units is dependent on the size and nature of the certificate program and the duties and responsibilities attached to the certificate program. The Dean may assign special project units

for these additional responsibilities.

6. **Program Chair Responsibilities.** The primary responsibilities of a Program Chair are maintaining the integrity of the program curriculum content, advising enrolled students in the program, and participating in outreach to community partners. The total units assigned for these responsibilities are described in section K(1) above. Responsibilities may be shared with other full-time program faculty as described in section K(3) above.

Although some chair responsibilities may vary in a particular program and/or academic division, in general, program chair responsibilities include the following.

- a. Meet periodically with the other faculty in the program, including the cooperative education coordinator, regarding academic matters affecting the program, including but not limited to:
 - i. maintain and update official course documents and maintain sample course syllabi and other course materials.
 - ii. coordinate (in collaboration with division APCC representative) activities needed to add, revise, or delete curriculum or course information from the catalog; serve as a resource for APCC when needed.
 - iii. review program admission criteria such as placement test scores and/or other relevant criteria.
 - iv. review program cooperative education eligibility criteria and completion criteria.
 - v. maintain list of adopted textbooks for program courses and coordinate processes for textbook adoption when necessary.
 - vi. coordinate activities related to internal program review or self-study.
 - vii. provide recommendations to the division dean and/or associate deans(s) regarding course scheduling including: annual and semester (or mid- or mini-mester) course offerings, numbers of courses and sections each semester (or mid- or mini-mester), and assigned courses for full-time faculty in the applicable program.
 - viii. participate in selection of new program faculty, as defined in Article 7 of this Agreement.
 - ix. review resumes, interview, and recommend for hiring all new adjuncts.
 - x. provide recommendations to the division dean and/or associate dean(s) regarding assigned courses for adjunct faculty.
 - xi. coordinate orienting new adjunct instructors in the program to course content and applicable course/program guidelines or standards.
 - xii. assist in the evaluation of adjunct instructors in cases where recurring problems or deficiencies have been noted.
 - xiii. when applicable, participate in creation and implementation of articulation opportunities with bachelor degree programs, and/or high school 2 + 2 programs.
 - xiv. if applicable, maintain the program website and/or social media.
 - xv. if applicable, coordinate activities related to external program accreditation. The chair and the division dean will confer to determine the total number of additional workload units (total may range from 1 to 5) assigned to the program during the year of

accreditation application or renewal. The total number of units may be spread over multiple semesters and may be shared with other program faculty who assist in the accreditation process.

- b. Provide academic advising and registration assistance to prospective and enrolled program students.
 - i. assist prospective and enrolled students with activities related to transfer of credits, advanced standing, and course test-out, as applicable.
 - ii. review and recommend candidates for graduation from the program.
 - iii. assist program students with activities related to the status of academic warning, probation, or suspension.
 - iv. serve as first point of contact for student concerns/complaints related to adjunct instructors in the program and assist in resolving adjunct instructor/student disputes. (Note: in any case of a student complaint about a full-time faculty member, the department chair will refer the student to Division administrators.)
 - v. provide orientation to the program curriculum, and assist with creating an academic plan.
 - vi. assist with initial registration activities.
 - vii. provide orientation to program facilities and resources.
 - viii. provide orientation and assistance in utilizing College resources.
 - ix. provide other student assistance that promotes student retention and success.
- c. Provide community outreach activities.
 - i. convene and document the annual meeting of the program Advisory Committee and solicit membership for the Advisory Committee, as needed. The documentation of Advisory Committee membership and meeting minutes shall be submitted to the Dean to be used for College accreditation and other continuous improvement efforts.
 - ii. assist with student recruitment through participation in College recruiting events and outreach to high school partners.
 - iii. participate in outreach to business/industry/educational partners and stakeholders associated with the program, including the Workforce Development Center.

Article 11

Electronic Course and Curriculum Development & Distribution

A. Electronic Course and Curriculum Development

Advances in technology allow for the development of technologically innovative methods of instruction, including, but not limited to, electronically-purveyed methods of instruction through live or recorded audio and/or visual presentations and materials using direct signal or cable, transmission by telephone lines, fiber optic lines, digital and/or analog video tape, audio tape, CD-ROM, Internet, E-mail, or other electronic means now known or hereafter developed, or any combinations thereof (referred to throughout this Article as “Electronic Courses”).

As set forth in Article 6(B)(1), the responsibility for making recommendations on fundamental academic matters, such as the curriculum, subject matter, and such methods of instruction as may be developed through electronic or other alternative means, remains a significant responsibility of the faculty, with final approval by the Board of Trustees. The faculty and the College administration have a mutual desire to assure the quality and academic integrity of its course offerings. The parties also recognize that the choice of Electronic Course technologies belongs to the College, in consultation with the faculty.

B. Electronic Course Agreements

The College and the AAUP recognize the value of technologically innovative methods of instruction and agree that there is mutual interest in further developing these alternative techniques for reaching a broader spectrum of students. The College will endeavor to support the faculty members who wish to incorporate innovative alternative technologies in their courses, as follows:

1. Faculty members are encouraged, but not required, to develop and/or deliver Electronic Courses.
2. A faculty member who desires to develop Electronic Course materials shall first consult with and receive authorization from the appropriate dean or director on the Electronic Course materials to be developed. The purpose of this provision is that the faculty member and the dean or director have a shared understanding in advance of the terms and conditions associated with the development and delivery of the Electronic Course.
3. Electronic Course Development Agreement. If authorized to proceed with development of the Electronic Course materials, the College and the faculty member will enter into a written Electronic Course Development Agreement which details the scope of the Electronic Course materials to be developed, a schedule for completion, and the terms and conditions of ownership of any intellectual property rights in the materials developed. This Agreement shall also identify the compensation for course development, based on the following criteria:

- a. If 80 to 100 percent of the Electronic Course is original material developed by the faculty member, the compensation is the course contact units multiplied by three (3), up to a maximum compensation of five thousand dollars (\$5,000).
 - b. If 25 to 79 percent of the Electronic Course is original material developed by the faculty member, the compensation is the course contact units multiplied by two (2).
 - c. If less than 25 percent of the Electronic Course is original material developed by the faculty member, the compensation is equal to the course contact units.
 - d. Compensation may be units paid at the overload rate or units assigned as release time.
 - e. If the compensation is payment at the overload rate, half of the compensation will be paid following the semester when the course is first offered.
4. As a condition for an Electronic Course Development Agreement, the College shall offer and the faculty member shall complete at least one training session regarding the College's "platform" for delivery of Electronic Courses.
 5. College's Right to Use or License Electronic Courses Developed by Faculty Member pursuant to Section 3, above. The Electronic Course Development Agreement will allow the College to use Electronic Courses developed in accordance with Section 3 above, in perpetuity, subject only to the right of first refusal described in Section 11.
 6. Faculty Member's Right to Use Electronic Course after Termination, Resignation, or Retirement. The Electronic Course Development Agreement will also allow the faculty member who developed the Electronic Course in accordance with section 3 above to use or license that course after his/her employment with the College ends.
 7. Right to Sub-License. By mutual written agreement between the College and the faculty member, the Electronic Course Development Agreement may allow the College or the faculty member to grant sub-licenses to other colleges or institutions.
 8. Consistent with the above, the AAUP and the College will agree in advance to an appropriate form for the Electronic Course Development Agreement and any related agreements.
 9. To become effective, any Electronic Course Development Agreement and related agreements will be executed in writing by the faculty member, and approved by the Academic Vice President, with copies to the AAUP. The Development Agreement and related agreements must be completed prior to the start of Electronic Course development.

10. Course materials developed using Electronic Course methods shall conform to the same departmental course standards as traditional courses, must meet College standards for Electronic Course materials (such as ADA and Section 508 compliance), and must meet standards and/or certification processes required by accrediting bodies.
11. Except as modified by the Electronic Course Development Agreement or related agreements, an active faculty member who develops an Electronic Course shall have the right of first refusal for delivering sections of such courses, up to the equivalent of the faculty member's base load for the semester, in consultation with the appropriate divisional dean or director. Additional sections may be assigned to other qualified faculty, including adjunct faculty, following the standard procedures described elsewhere in this Agreement.
12. If the faculty member who developed the Electronic Course and the appropriate divisional dean or director determine that a course is complex enough to require significant training and oversight, compensation of one (1) unit per new adjunct instructor, including adjunct instructors of College Credit Plus courses, will be paid the first time the adjunct faculty member teaches the Electronic Course.
13. Appropriate class capacities and maximum student enrollments in Electronic Courses shall be established by the appropriate divisional dean or director, in consultation with the appropriate divisional faculty.
14. If the College elects to change the standard technology used to disseminate Electronic Course materials, the faculty member who developed the Electronic Course and the appropriate divisional dean or director will come to a shared understanding as to what additional workload units, if any, will be necessary to accomplish any modifications required.
15. A faculty member who develops, creates, makes, or originates Electronic Course materials shall retain in perpetuity the sole and exclusive rights to all such property, to the extent permitted by law, except as specifically modified by the Electronic Course Development Agreement.
16. Nothing precludes other faculty from developing their own Electronic Course materials for another or different version of the same Electronic Course. It is understood that the College could choose to offer several versions of the same course simultaneously using Electronic Course methods.
17. In the absence of an Electronic Course Development Agreement entered into after August 25, 2014, the College may not distribute a faculty member's Electronic Course materials for use by other full time or adjunct faculty.
18. Agreements For Pre-Existing Electronic Course Materials. Any Electronic Course created by faculty before August 25, 2014, shall continue to be subject to the terms of any documented agreements entered into at the time of the creation of such Electronic Course materials. However, the College may offer faculty an updated Electronic Course Development Agreement to substitute for any existing agreements, the form of which shall be agreed to between AAUP and the College. Any such new Agreements for pre-existing Electronic

Course materials shall include compensation to the faculty member(s) that created the Electronic Course materials, in substitution for the payment of ongoing royalties. The amount of compensation will be determined as part of the updated Electronic Course Development Agreement.

19. Nothing precludes the College and a faculty member from entering into an Exclusive License Agreement for Electronic Course materials, with the approval of both parties. If the parties reach an Exclusive License Agreement, a copy of that agreement will be forwarded to the AAUP.

C. Intellectual Property

1. Scope

This section sets forth the rights and obligations of the College and the members of the bargaining unit to intellectual property, excluding Electronic Course material which is covered in Sections A and B above. D. Development Obligations

1. The College supports the development, production, and dissemination of copyrightable, trademarkable, patentable, and other intellectual properties by its employees.
2. It is understood that intellectual property developed by employees on or off College time, except for those materials for which the College had specifically contracted prior to June 9, 1998, shall remain the property of such employees, but shall continue to be used for the benefit of the College while the employee remains an employee of the College.

No member of the bargaining unit shall lose the accumulated allowance of unused days of sick leave/personal leave by reason of having been absent for a period without pay, nor shall the employee accumulate any additional days of allowance during the absence. Faculty members needing to use sick/personal days shall fill out the requisite forms according to official College procedures.
 - a. If a faculty member is unable to discharge his/her professional responsibilities on a given day for reasons which qualify for sick leave, including regular or overload classes, labs, office hours, or regularly scheduled meetings, that faculty member shall report use of one full sick day.
 - b. If a faculty member discharges part of his/her professional responsibilities on a given day, but for reasons which qualify for sick leave cannot discharge all of his/her responsibilities, that faculty member shall report use of one-half sick day.
 - c. Notwithstanding the College's payroll procedures that list sick leave in "hours," the minimum amount of sick leave which may be used by a faculty member is one-half day (4 hours).
 - d. If the use of sick leave is protracted to the extent that an overload class or classes need to be reassigned, and others must be compensated for that overload, the faculty member may also forfeit overload compensation for such class or classes.
2. Sick Leave Bank (SLB). The College shall maintain a sick leave bank (SLB) to provide additional sick leave to bargaining unit members who have exhausted their accumulated sick leave and otherwise qualify for it.
 - a. A bargaining unit member must have accumulated at least thirty-five (35) days to be eligible to contribute to the SLB. A bargaining unit member may contribute to the SLB by directing the Human Resources Department, in writing, the contribution of a minimum of one (1) day and a maximum per year of ten (10) days of the member's accumulated sick leave. All sick leave time donated to the SLB is not refundable.
 - b. When the balance in the SLB becomes less than fifty (50) days, the Human Resources Department will notify the AAUP, who will call for donation of additional sick leave from bargaining unit members.

- c. Any bargaining unit member who has fewer than ten (10) days of accumulated sick/personal leave and who anticipates the need for more sick leave than he/she has available may submit a request to the Human Resources Department for the transfer of sick leave time from the SLB to the bargaining unit member.
- d. The maximum length of time available from the SLB to any bargaining unit member in response to an application is one hundred and sixty (160) hours. Additional extensions may be made if the sick leave time transferred in response to an application proves to be insufficient, up to a total of three hundred and twenty (320) hours in a twelve month period. At no time may the Human Resources Department transfer more sick leave time from the SLB than is available in the bank.
- e. Time from the SLB may be granted because of absence due to non-chronic conditions, catastrophic accident or illness, or primary caretaking, including persons living in the employee's household. Conditions caused by incidents covered by workers' compensation are not eligible for SLB time.
- f. Bargaining unit members currently receiving disability benefits are not eligible for time from the SLB.

G. Health Insurance, Prescription Drug Plan, Dental Plan, Short-Term Disability Plan and Vision-Care Plan

The College shall make available to members of the bargaining unit and their eligible dependents health insurance coverage, dental insurance coverage, vision coverage, an Employee Assistance Plan, and short-term disability coverage as described below and in Appendix 3. (The health insurance plans are set forth in detail in policies of insurance which contain specific terms and conditions of coverage, and shall be available in the office of the Director of Human Resources):

- 1. The College shall provide benefit dollars sufficient for each eligible bargaining unit member to "purchase" the following benefits on the following basis during the duration of the contract:
 - a. Eighty-eight percent (88%) of the cost of the current Preferred Provider Organization (PPO) health insurance coverage, or a roughly comparable plan, or one hundred percent (100%) of the cost of the High Deductible Health Plan (HDHP).
 - b. The total cost of the current dental coverage.
 - c. The total cost of vision Plan A coverage.
 - d. The total cost of the current short-term disability coverage for the employee only.
 - e. The total cost of the Employee Assistance Plan.
 - f. The total cost of basic group life insurance coverage, for the bargaining unit member only, equal to two times annual salary. This policy shall include accidental death and dismemberment riders.

The benefit dollars allocated to each eligible bargaining unit member will be sufficient to pay for the yearly premiums as described above for

insurance based on either a single or family coverage, as the faculty member is eligible. Should any employee choose a total package of benefits that exceeds the benefit dollars allocated (i.e. an alternative health care plan) the employee must pay the difference, through payroll deduction.

2. A bargaining unit member may revise his or her election upon a qualifying event in accordance with the terms of the plan.
3. As of August 27, 2018, all current opt-out cash payments to bargaining unit members waiving health insurance coverage shall be reduced by fifty percent (50%). As of July 1, 2019, all current opt-out cash payment waivers shall be totally eliminated.

An employee waiving health insurance coverage must show evidence of health insurance coverage from another source. An employee may not decline coverage in the Employee Assistance Program.

4. All bargaining unit members are eligible to participate in the Flexible Spending Account program provided by the College. This account will allow employees to pay for un-reimbursed medical expenses and / or child and dependent care charges with pre-tax dollars.
5. Bargaining unit members enrolled in the High Deductible Health Plan (HDHP) are eligible to participate in a Health Savings Account (HSA) in which pre-tax contributions may be directed and used to cover un-reimbursed medical expenses, consistent with Internal Revenue Service limits and regulations. See Appendix 3 for details.
6. Co-payments and deductibles, and other benefits changes anticipated during the period of this Agreement, are summarized in Appendix 3.
7. Special Health Benefits provision: If, during the period of this Agreement, another Cincinnati State bargaining unit, and / or non-bargaining employees, receive more favorable healthcare-related benefits than those described in provisions 12(G)(5) and 12(G)(6) above, AAUP bargaining unit members shall be granted the same benefits afforded to those other employees.

H. Health and Wellness Program

The College will provide access to the College's fitness facilities at no cost to the bargaining unit member.

Employees will be encouraged, but not required, to participate in Health and Wellness programming which may be offered. Such programming may include a combination of activities designed to increase health education and awareness, assess risks, and promote voluntary behavior changes to improve individual health, enhance individual well-being and productivity, and contribute to preventing illness and injury.

All medical data collected through participation in any wellness programs that may be offered will remain confidential, the College making no claim to access

such data, pursuant to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) rules and standards.

I. Open Enrollment

An open enrollment period shall be established during each year of the Agreement. See Appendix 3 for details.

J. Free Parking

Parking shall be provided for members of the bargaining unit.

K. Cash Payment for Sick/Personal Leave

At the end of the fiscal year, members of the bargaining unit may exercise one of two options regarding any sick leave/personal leave days fewer than thirteen (13) used during the previous year:

- Allow the balance to remain intact for possible future need. (Accumulate it.)
- Convert up to one-half of the unused balance for the year into a cash payment computed as 0.00278 times the current annual salary times the number of eligible days.

The cash payment provision will apply only to the portion of the annual credit allowances not used each year. Only days accumulated during the current year at Cincinnati State Technical and Community College may be cashed in pursuant to this provision.

No employee may exercise the cash payment provision until he/she has exceeded thirty-five (35) days of accumulated sick leave/personal leave. The number of days "cashed in" cannot result in a remaining accumulated balance of fewer than thirty-five (35) days.

L. Payment for Unused Sick Leave Upon Retirement or Other Leave Taking

Any member of the bargaining unit, regardless of the length of service at Cincinnati State Technical and Community College, who formally retires per the regulations of the STRS and is eligible and will draw retirement benefits from the system, may convert accumulated sick leave to a maximum of sixty-five (65) days at the rate of one (1) day for every three (3) days of sick leave into a lump sum payment upon the effective official day of retirement.

When the lump sum cash payment amount an eligible employee may receive is computed, the rate shall be computed as 0.00556 times the employee's current annual salary at separation, times the number of eligible days.

Any member of the bargaining unit having ten (10) or more years of continuous full-time employment with Cincinnati State Technical and Community College who permanently leaves employment at Cincinnati State Technical and Community College shall be entitled to convert accumulated sick leave to a maximum of 65 days at the rate of one (1) day for every three (3) days of accumulated sick leave into a lump sum payment upon the effective official day

of retirement. This provision applies only to employees hired before January 1, 1988. Persons employed after January 1, 1988, shall be eligible to cash in sick leave only if they formally retire per the regulations of STRS and are eligible to draw retirement benefits from the system.

When the lump sum cash payment amount an eligible employee may receive is computed, the rate shall be computed as 0.00384 times the employee's most recent annual salary times the number of eligible days.

Any member of the Bargaining Unit who has converted accumulated sick leave into a lump sum payment who subsequently is employed by another agency, organization, or institution to which accumulated sick leave could be transferred pursuant to law, shall be deemed to have forfeited all sick days earned at Cincinnati State Technical and Community College and such days shall not be further eligible for transfer.

A member of the bargaining unit who, for reasons other than retirement, leaves the employ of the Cincinnati State Technical and Community College shall retain accumulated sick leave for one (1) year from the date of termination of the last employment, provided it has not been converted into a cash payment, nor transferred pursuant to law.

Any member of the bargaining unit reemployed by the Cincinnati State Technical and Community College who, since leaving the employ of the Cincinnati State Technical and Community College, has been continuously employed by other State of Ohio institutions of higher learning, boards of education, or by state, county, or municipal governments in Ohio shall receive full credit for sick leave accumulated both in the prior employ of the Cincinnati State Technical and Community College and the employ of other agencies listed above as shown in the records of the last employing organization. However, anyone employed after January 1, 1980, shall not be able to count sick leave credited from other employers in determining conversion for lump sum payments upon retirement. For persons employed after January 1, 1980, only that accumulated sick leave earned during the period of continuous employment at Cincinnati State Technical and Community College prior to retirement shall be counted.

Any member of the bargaining unit who, immediately preceding employment, has been in the service of another State of Ohio institution of higher learning, board of education or school, or state, county, or municipal government shall receive full credit for the sick leave accumulated in this previous service shown in the records of the last employing organization. However, anyone employed after January 1, 1980, shall not be able to count sick leave credited from other employers in determining conversion for lump sum payments upon retirement. For persons employed after January 1, 1980, only that accumulated sick leave earned during the period of continuous employment at Cincinnati State Technical and Community College prior to retirement shall be counted.

M. Retirement and Residual Benefits

Members of the bargaining unit who retire in good standing shall be eligible for the following benefits:

- Tuition Waiver (See Article 15)
- Free Parking
- Use of College Facilities (library, fitness center, etc.)

To retire in good standing, the bargaining unit member shall provide no less than 90 days notice to the Human Resources Department. Exceptions to this notice requirement will be made if a retirement is precipitated or hastened by emergency circumstances.

N. Family Leave

In conformance with the Family and Medical Leave Act (FMLA), the College has adopted a policy providing for leave as that law requires. A copy of that policy is included in the College Operations Manual, which is available on the College intranet.

O. Vacation Leave

Any College employee in the future who becomes a member of the bargaining unit with accumulated vacation leave, shall be required to have cashed in those days by no later than the end of the fiscal year in which the employee becomes a member of the bargaining unit.

P. AAUP Participation in Benefits Negotiations

The College and the AAUP recognize the importance of possible changes in the cost of providing appropriate health care insurance to employees. The parties agree to meet periodically throughout each year of this Agreement to examine in a timely manner possible changes to employee benefits that are identified as part of the annual health care insurance bid and renewal process and the open enrollment cycle.

The goal of these meetings is to build consensus and make collaborative decisions and recommendations regarding the College's health care benefit offerings. Topics of discussion may include, but are not limited to:

- Collect and review data on health benefits trends in Ohio community colleges and other comparable regional institutions.
- Review and analyze data on Cincinnati State health benefits components such as:
 - provider performance, claims response, customer service, and communications.
 - wellness programming and consumer awareness of such programming.
 - health insurance utilization.
 - health insurance utilization management considerations.
 - benefits costs.
- Collect employee feedback on benefits using surveys or other data collection methods.

- Review and analyze benefits plan options and design.
- Analyze bids by health benefits providers.
- Discuss other topics as they become pertinent.

Q. Benefits for Same-Sex Domestic Partners

Cincinnati State Board of Trustees Resolution 17.16, adopted February 28, 2017, amended the definition of “eligible dependent” under the College’s healthcare plan to eliminate previous language providing eligibility for same-sex domestic partners when they did not have the right to marry.

Board Resolution 17.16 is consistent with the U.S. Supreme Court ruling of June 26, 2015, that same-sex couples may marry in any state and thus receive traditional healthcare benefits.

Same-sex or domestic partners of eligible employees enrolled in the College’s healthcare plan prior to March 1, 2017, shall be grandfathered under the College’s healthcare plan until such time that the eligible employee becomes eligible through marriage, waives College benefits, or ceases to be eligible for College benefits.

Article 13

Employment Relationship and Severance

The administration and the AAUP recognize that efforts should be made to prevent serious personnel problems from arising. When necessary, disciplinary actions may be taken, using the provisions described in Section E below.

At times it may be necessary for an individual member of the bargaining unit to sever their professional relationship or for the administration to sever the professional relationship. Such severance may take place in any of the following ways:

A. Resignation

Resignation is an action by which a member of the bargaining unit terminates an appointment. In the absence of a medical necessity or other compelling reason, the faculty member shall endeavor to give the College Administration notice of resignation at the earliest possible opportunity. Unauthorized absence from scheduled professional responsibilities for more than ten (10) consecutive days shall be considered abandonment and shall be considered a voluntary resignation.

B. Retirement

Retirement does terminate the employment relationship. The benefits attaching upon retirement as well as the procedures necessary to attain them are described in Article 12(J) and 12(K).

C. Non-Renewal of Contract

The administration, at its discretion, may terminate the annual appointment of any member of the bargaining unit employed on or after September 6, 2005, who has completed fewer than five (5) years of full-time service to the College. If such a regular appointment is not to be renewed, the President or his or her designee shall notify the affected faculty member in writing no later than April 15.

1. Five years of full-time service to the College shall be defined as follows: A current member of the bargaining unit employed in full-time status for at least four (4) terms or two (2) semesters for all five academic years.

D. Reduction in Force

If for reasons of financial exigency (financial problems so severe that they threaten the College's ability to maintain its operations at an acceptable level of quality) or elimination of a program it becomes necessary to effect a reduction in force, the order of layoff in the affected area shall be as follows:

1. Any reduction in force shall take place first among the appropriate adjunct faculty, and then among the annually contracted faculty, before full-time faculty
2. Any reduction in force among full-time faculty shall take place in reverse order of seniority. Seniority shall be determined by the date of last hire.

- a. The Faculty Senate and/or the Academic Vice President/Provost may submit to the College President a statement of programmatic or divisional needs and justifications for exceptions to the seniority list.
 - b. The President shall consider such recommendations and shall forward them, along with his or her own, to the Board of Trustees.
 3. The administration shall exert best efforts to find a faculty position at the College for which an affected tenured faculty member is qualified.
 - a. A tenured faculty member subject to a reduction in force may exercise a right to displace a non-tenured faculty member in an unaffected area, as long as the tenured faculty member is qualified for the position.
 - b. A tenured faculty member subject to a reduction in force who is not qualified to teach in an unaffected faculty area is eligible to apply for any open positions within the College for which they are qualified, and will be guaranteed an interview.
 - c. This stipulation shall be subordinate to the legal requirements of affirmative action and EEOC regulations.
 4. Should there be a need for additional faculty staffing, the faculty who were laid off shall be offered renewal of their faculty status in reverse order of their termination, provided they possess the necessary qualifications for the open position.
 - a. This obligation shall be honored for two (2) years after dismissal unless the faculty member submits a written release of this right.
 - b. This obligation shall be subject to the legal requirements and EEOC regulations as described above.
 5. There shall be no layoffs due to financial exigency unless the College President, sixty (60) College working days prior to making his/her recommendation to the Board of Trustees, notifies the Faculty Senate, and the AAUP, that a recommendation for such action may be made. The Faculty Senate and the AAUP may offer their advice, recommendations, and alternatives to the College President. The President shall consider those and forward them along with his or her own to the Board of Trustees.
- E. Sanctions or Dismissal for Adequate Cause
1. Whenever possible, disciplinary actions should be primarily corrective rather than punitive. In all instances the dignity of the individual faculty member should be respected.
 2. *Sanction* means a corrective disciplinary action short of dismissal.
 - a. If a member of the bargaining unit's supervisor (division dean or vice president) determines that corrective efforts, such as oral counseling, or in a more serious instance a written reprimand, are necessary, the

supervisor shall take that action without resorting to the fact-finding proceedings described in this Article. In the event that a written reprimand is issued, a copy of such reprimand shall be placed in the faculty member's personnel file, and the faculty member shall have the right to place a response to that reprimand in his or her file. Any sanction requiring suspension of a member of the bargaining unit shall be subject to the fact finding proceedings of this article.

3. *Dismissal* means a severance action by which the College ends its employer relationship with a faculty member for adequate cause.
4. *Adequate cause* means substantial charges directly and substantially related to the fitness of the affected faculty member to discharge professional responsibilities.
5. Dismissal or sanction proceedings may be instituted for any of the following charges:
 - a. Failure to perform professional responsibilities either through incompetence, persistent negligence, refusal to carry out reasonable assignments, or disregard for the ethics and standards of the profession, as outlined in Article 15.
 - b. Conviction of a felony which renders the faculty member unfit or unable to perform professional responsibilities, or conviction of a crime or misdemeanor which is hostile to the College community.
 - c. Fraud or misrepresentation of professional preparation or accomplishments.
 - d. Deliberate or grave violation of the rights and freedoms of other members of the College community.
 - e. Deliberate or grave violation of the published College policies and/or procedures.
 - f. Failure to participate in an approved rehabilitation program by a faculty member whose professional performance is materially affected by drug or alcohol abuse.
 - g. The illegal manufacture or sale of controlled substances, or their possession or use by a faculty member while he or she is on College-owned or controlled property.
 - h. The illegal or unauthorized possession or use of firearms, fireworks, explosives, dangerous chemicals, or weapons while on College-owned or controlled property.
 - i. Sexual or other forms of harassment.

F. Proceedings for Dismissal or Sanction for Adequate Cause

1. It shall be the obligation of the College President to initiate dismissal proceedings or sanction proceedings against a faculty member. The President shall notify the affected faculty member of his/her intention to commence dismissal proceedings or sanction proceedings, which notification shall be accompanied by a written statement of specific charges and by a description of the sanction or disciplinary action, including dismissal, recommended by the Director of Human Resources and a copy sent to the President of the AAUP. Within ten (10) days, the affected faculty member will either resign, agree to the sanction described, or agree to a hearing before a Fact Finding Committee.
2. Within the same ten (10) days described in F(1) of this article, the Faculty Senate shall appoint five (5) members of the bargaining unit to a Fact Finding Committee. None of said members shall be from the same division as the affected faculty member. The AAUP shall appoint a non-voting ex officio member to the committee. Prospective members of the committee who deem themselves disqualified for bias or interest shall promptly notify the Faculty Senate that they are unable to serve. The affected faculty member may exercise one challenge without stated cause. If the Faculty Senate cannot form a 5-member Fact Finding Committee within ten (10) days of receipt of the President's charges, the Fact Finding Committee shall be composed of all the members of the Faculty Senate excluding those from the same division as the faculty member against whom charge(s) are pending.
3. Pending a final decision by the Fact Finding Committee, the affected faculty member's salary and benefits shall continue in full force and effect. If the President feels that the affected faculty member is unable to discharge his/her regular professional responsibilities, in the interest of the proper functioning of the College, the President may suspend the affected faculty member or assign him/her to other duties in lieu of suspension.
4. The Fact Finding Committee shall begin its preparations for the hearings within five (5) days of its receipt of the President's written statement of specific charges. With appropriate notice to the parties concerned, the Committee may hold joint meetings with the parties to simplify issues, effect stipulations of facts, provide for the exchange of documentary or other information, or achieve such other prehearing objectives as will make the hearing fair, effective, and expeditious. Within five (5) additional days, the Fact Finding Committee shall determine whether there is a *prima facie* case for proceeding with a hearing. If the Fact Finding Committee should find that there is no *prima facie* case for proceeding with a hearing, it shall so report in writing to the President. If the President feels there is still a necessity for hearings, he/she shall within five (5) days so report in writing to the Fact Finding Committee, and the committee shall initiate hearing procedures.
5. The Fact Finding Committee shall serve notice of hearing with specific charges in writing, at least fifteen (15) days prior to the hearing. The hearing shall commence no later than the twentieth (20th) day after the date of the notification of the hearing, and the hearing shall be completed fifteen (15) days after the commencement of the hearing. The hearing shall be governed by the following rules:

- a. The affected faculty member shall determine whether the hearing should be public or private, and no adverse inference shall be drawn from such determination.
 - b. The faculty member shall be entitled to have legal counsel be present and participate in the proceedings.
 - c. Both the administration and the AAUP shall be entitled to participate in the proceedings and may be represented by legal counsel.
 - d. The Committee shall grant reasonable adjournments to enable either party to investigate evidence to which a valid claim of surprise is made.
 - e. A verbatim audio record of the proceedings shall be taken and the administration shall make a copy of the audio tape available to the affected faculty member, at his or her request.
 - f. The burden of proof that "adequate cause" exists rests with the administration and shall be satisfied only by clear and convincing evidence in the record considered as a whole.
 - g. The affected faculty member and the administration shall be afforded a reasonable opportunity to obtain necessary witnesses and documentary evidence.
 - h. The faculty member and the administration shall have the right to confront and cross examine all witnesses. Where the witnesses cannot or will not appear, but the Committee determines that the interests of justice require admission of their statements, the Committee shall identify the witnesses, disclose their statements, and, if possible, provide for interrogatories.
 - i. In a hearing of charges of gross incompetence, the testimony shall include that of qualified members of the Cincinnati State Technical and Community College faculty and/or the testimony of faculty members of other institutions of higher education, and/or the testimony of recognized authorities in the appropriate professional disciplines or programs.
 - j. The Committee shall not be bound by strict rules of legal evidence, and may admit any evidence which is of probative value in determining the issues involved. Every possible effort shall be made to obtain the most reliable evidence.
 - k. The Committee shall base its findings of fact and its recommendations and decisions solely on the hearing record.
6. The Fact Finding Committee shall be empowered to recommend dismissal or another remedy which it deems appropriate.

7. Within five (5) days after the conclusion of the hearing, the Committee shall notify the College President and the President of the AAUP of its findings of fact and its recommendations.
8. The College President shall transmit the recommendations of the Fact Finding Committee along with his or her own recommendations to the Board of Trustees. The Board of Trustees shall at its next regular meeting afford the affected faculty member an opportunity to appear before the Board to provide evidence on his/her own behalf. The Board of Trustees shall consider all of the findings and recommendations and shall within five (5) days put into writing its final decision, copies of which shall be submitted to the affected faculty member, the chair of the Fact Finding Committee, the College President, and the President of AAUP.
9. The AAUP, at its discretion, may appoint within five (5) days two representatives to meet and confer with the College President or his/her designee in respect to the conditions of the dismissal regarding compensation and/or benefits for the affected faculty member. In such discussion, consideration will also be given to any compensation which might have been continued for the affected faculty member during the period of time in which the affected faculty member performed no service to the College pending a final decision by the Board of Trustees.

G. Grievability of Decisions

The substance of decisions to terminate by a non-renewal, a reduction in force, or a for adequate cause termination of disciplinary action shall not be subject to the grievance procedure described in this Agreement except to ensure that there has been appropriate compliance with the Severance of Employment procedures described above.

The President shall submit copies of his or her recommendation to the Faculty Tenure Committee chairperson and to the applicant(s), with copies made available to the President of the Faculty Senate, and the President of the AAUP.
 5. The Tenure Committee, the Dean or Director, the Academic Vice President/Provost, and/or the President may request other pertinent information deemed necessary for a complete review of the applicant's eligibility for tenure. Such requests for information must be in written form and be provided to the applicant and all persons who have reviewed the

application as of that point in the application review process, with copies made available to the President of the Faculty Senate, and the President of the AAUP.

The applicant shall be afforded an opportunity to respond in writing to the request for information, no later than ten (10) days after he or she is given a copy of the information request, or up to March 1, whichever date is earlier. Professional Enrichment Programs

- A. Tuition Waiver at Cincinnati State Technical and Community College
1. Members of the bargaining unit are eligible to enroll in up to three (3) courses per semester at the College without payment of tuition and all fees with the exception of course/lab fees, whether in-state or out-of-state, up to a maximum of twelve (12) credit hours per semester.
 - a. The member of the bargaining unit shall pay any lab fees, except for fees associated with Physical Education courses that are part of the College Wellness Program, at the time of registration.
 - b. For programs and courses offered through the Workforce Development Center, the waiver of tuition and fees covers only the current in-state tuition rate per credit hour, and the current Registration Fee. If the cost exceeds this allowance, the bargaining unit member is responsible for the additional costs.
 - c. Costs to be paid by the bargaining unit member are due no later than the payment deadline for the semester or program.
 2. Spouses, dependent children, and/or other dependents of members of the bargaining unit may, whether in-state or out-of-state, receive waiver of the instructional fee, irrespective of the credit load. Other fees must be paid at registration time.
 - a. Spouses, dependent children, and/or other dependents are limited to a total of 75 attempted credit hours, not included academic foundations courses.
 - b. For programs and courses offered through the Workforce Development Center, the waiver of tuition and fees for spouses, dependent children and/or other dependents covers only the current in-state tuition rate per credit hour, and the current Registration Fee. If the cost exceeds this allowance, the bargaining unit member (or their spouse/dependent) is responsible for the additional costs.
 - c. Dependents of bargaining unit members are encouraged to provide ten (10) hours of service to the College for each semester a tuition waiver is granted.
 3. Members of the bargaining unit who retire shall be permitted tuition waiver as described for members of the bargaining unit still employed.
 4. Bargaining unit members, spouses/dependents of bargaining unit members, and retired bargaining unit members must maintain a minimum cumulative grade point average of 2.0 in College courses to be eligible for tuition/fee waivers. Subsequent enrollment costs will not be waived if the GPA is below 2.0.

5. Bargaining unit members, spouses/dependents of bargaining unit members, and retired bargaining unit members will follow procedures for requesting waivers as described in the current College Operations Manual.

B. Reimbursement and Salary Increases for Advanced Degrees

1. The College supports the continued studies for advanced degrees of bargaining unit members and/or the continuing education and professional development of bargaining unit members which contribute to the mission of the College. Requests for such enrollment and reimbursement should be developed by the faculty member in collaboration with the appropriate Dean/Director, and should clearly demonstrate how the proposed educational program aligns with the anticipated career contributions of the faculty member to the College. After approval, the Dean/Director will forward the request to the Academic Vice President/Provost. Should the Dean/Director deny approval, the faculty member may appeal to the academic Vice President/Provost.

The College agrees that upon submission of documented receipts for accredited College tuition and a grade report verifying a grade of "B" or better (or "Pass," "Satisfactory," or "Progress" in ungraded courses), a member of the bargaining unit shall receive reimbursement as described herein:

- a. Funds available for tuition reimbursement are budgeted annually and approved by the Board of Trustees. The College shall establish on an annual contract year basis a pool of no less than \$60,000.00 from which tuition reimbursement for members of the bargaining unit shall be paid, up to an annual maximum of fifteen (15) credit hours per individual.
- b. The per-credit rate of reimbursement shall be equivalent to seventy-five percent (75%) of the current tuition rate for Ohio residents in a comparable program at the University of Cincinnati, or seventy-five percent (75%) of the cost of tuition at the institution granting the degree, whichever is less.
- c. Any unused portion of the pool shall be carried over from year to year and added to the no less than \$60,000.00 annual pool. If a bargaining unit member is denied reimbursement in any year because the pool has been exhausted, he or she shall be reimbursed for those non-reimbursed hours in the next contract year and shall be awarded such reimbursement prior to any award to any other individual eligible for reimbursement in the next contract year.
- d. Bargaining unit members shall follow the timelines and procedures for submitting requests for tuition reimbursement as described in the current College Operations Manual.
- e. Faculty members who receive tuition reimbursement shall remain at the College for at least one year following the date of submission of their documented receipts for reimbursement. Faculty members who voluntarily leave the employ of the College prior to one year following the date of any tuition reimbursement for other than bona fide medical

reasons shall reimburse the College the amount of said tuition reimbursement.

2. Upon presentation to the Director of Human Resources of proof that a member of the bargaining unit has obtained a master's degree from an accredited institution of higher education, the bargaining unit member's salary shall be increased by six percent (6%) beginning with the next pay period. Upon presentation to the Director of Human Resources of proof that the member of the bargaining unit has obtained a doctorate degree from an accredited institution of higher education, the member of the bargaining unit's salary shall be increased by eleven percent (11%) beginning with the next pay period.

C. Sabbatical Leave

1. A tenured member of the bargaining unit shall be eligible for sabbatical leave. The primary purpose of sabbatical leave is to encourage and to enhance professional growth and effectiveness. Such leaves contribute to the accomplishment of these ends by enabling the faculty members to undertake specific activities involving planned study, research, travel, return to industry, or other approved creative work of benefit to the faculty members and to the College. Sabbatical leaves shall be identified as falling into one of two categories:
 - Leaves for the purpose of pursuing advanced degrees (Degree Sabbaticals).
 - Leaves for other purposes (Enrichment Sabbaticals).
2. Each year of this Agreement, the administration shall make available a total of five (5) academic semesters for use as sabbatical leave (both categories).
 - a. Leaves may be granted for one (1) or more semesters up to, but not more than, one (1) academic year, but the period of the sabbatical may extend over more than one academic year, e.g., include Spring and Summer semesters of one academic year and Fall semester of the next academic year. Leaves shall not be granted for less than one full academic semester. Leaves are granted without regard to seniority or the number of years that a member of the bargaining unit has been eligible to be considered for sabbatical leave.
 - b. Upon completion of a sabbatical leave, the member of the bargaining unit shall not become eligible again until the completion of an additional five (5) years of service to the College. Five additional years shall be defined as at least two complete academic semesters in at least five academic years, subsequent to the last day of the faculty member's prior sabbatical.
 - c. A member of the bargaining unit on sabbatical leave shall be fully compensated. Any wages received by the bargaining unit member for work performed related to the sabbatical, other than an academic stipend, shall be offset against the compensation owed by the College and the bargaining unit member agrees to notify the College of such compensation and provide documentation. The member of the bargaining unit on sabbatical leave shall continue to accrue sick leave,

retirement credit, insurance benefits, seniority, and all other benefits as described in this Agreement.

- d. When applying for a Degree Sabbatical, the faculty member shall include a projected date for the completion of the degree. When a Degree Sabbatical is granted, the expectation is that the faculty member will complete the degree being sought. Failure to complete the degree within one (1) year of the projected degree completion date shall obligate the faculty member to reimburse to the College the amount of all tuition reimbursements previously granted to the faculty member towards the completion of the degree from the beginning date of the sabbatical and thereafter and shall cause the faculty member to become ineligible for any future sabbatical leaves, notwithstanding Article 15(C)(2)(b) above, unless the faculty member has a *bona fide* medical reason or other qualifying reason under the Family and Medical Leave Act (FMLA), which would necessitate a delay in the completion of the degree.
 - e. When an Enrichment Sabbatical leave is granted, every 30 days the faculty member shall submit a report to the Dean of his/her progress in the goals established for the sabbatical. By the conclusion of the academic semester following completion of the sabbatical leave, the faculty member shall submit a report detailing the attainments achieved, as required by ORC 3345.28. This report shall be sent to the Academic Vice President, to be filed in the College Library. Failure to submit this report in a timely manner shall obligate the faculty member to reimburse to the College the amount of wages and benefits paid during the sabbatical and shall cause the faculty member to become ineligible for any future sabbatical leaves, notwithstanding Article 15(C)(2)(b) above, unless the faculty member has a *bona fide* medical reason or other qualifying reason under the Family and Medical Leave Act (FMLA), which would necessitate a delay in the submission of this report.
 - f. Upon completion of sabbatical leave, the member of the bargaining unit must return to the College for at least one (1) full year of professional service. Faculty members who voluntarily leave the employ of the College prior to one year following the date of the completion of the sabbatical for other than *bona fide* medical reasons shall reimburse the College the amount of wages and benefits paid during the sabbatical.
3. The Faculty Senate shall in accordance with its bylaws establish a Sabbatical Review Board. In addition to the faculty members appointed to the Review Board, the President shall appoint the Deans of the Humanities & Sciences Division, the Business Technologies Division, the Center for Innovative Technologies, and the Health and Public Safety Division, as well as the Director of the Library.
- a. Candidates shall submit by February 1 to the Sabbatical Review Board an application for sabbatical leave, in a form to be determined by the Sabbatical Review Board, along with justifications on the merits of the proposal in its own right, for the individual, for the division, and for the College. The Sabbatical Review Board shall have the right to request additional information from the candidate or ask the candidate to modify

his/her proposal for improvement and/or suggest that the candidate apply for a sabbatical period which is less than he/she applied for.

- b. By April 1, the Sabbatical Review Board shall submit its evaluation of the proposals and its recommendations to the Academic Vice President/Provost and to the President, with copies sent to the President of the Faculty Senate and the President of the AAUP. Each evaluation shall include a justification for any negative recommendation, and a rank of order of preference for each proposal submitted to the Sabbatical Review Board.
- c. By April 15, the Academic Vice President/Provost shall review the proposals and submit his/her evaluations and recommendations to the President, with copies sent to the chair of the Sabbatical Review Board, the President of the Faculty Senate and the President of the AAUP.
- d. By May 1, the College President shall submit his/her evaluation of the proposals and his/her recommendations as well as the recommendations or evaluations of the Academic Vice President/Provost and the Sabbatical Review Board, to the Board of Trustees. Copies of the President's recommendations shall be sent to the chair of the Sabbatical Review Board, the President of the Faculty Senate and the President of the AAUP.
- e. By May 31, the Board of Trustees shall notify the applicant and the Sabbatical Review Board in writing of its decision. Copies of the Board's decision shall be sent to the chair of the Sabbatical Review Board, the President of the Faculty Senate and the President of the AAUP. In the event of a negative decision, the Board of Trustees shall provide reasons in writing.
- f. A member of the bargaining unit who has been granted a sabbatical leave shall submit in writing to the Academic Vice President and to the Sabbatical Review Board, no later than the fifth week of the academic semester prior to the beginning of the proposed sabbatical leave, a statement attesting to the fact that the sabbatical proposal is still viable and will go forward as proposed. Should the proposed sabbatical not be viable at this point, the sabbatical will be cancelled. The cancelled sabbatical award shall be carried over for awarding in the following year.

D. Professional Enrichment

The College and the AAUP agree that they have a mutual interest in having faculty members participate in personal and professional development activities, including, but not limited to, attending classes or pursuing advanced degrees, attending professional conferences, participating in both internal and external training opportunities, or undertaking continuing education for purposes of maintaining accreditation or licensure. Faculty members recognize that their primary commitment is to their students, their academic divisions, and the College as a whole. In the scheduling of classes and other assignments, the administration shall endeavor to accommodate such faculty development activities to the extent that is reasonably possible.

Article 16

Professional Ethics and Academic Freedom

A. Professional Ethics

1. Bargaining unit members, guided by a deep conviction of the worth and dignity of the advancement of knowledge, recognize the special responsibilities placed upon them. Their primary responsibility to their subject is to seek and to state the truth as they see it. To this end, they devote their energies to developing and improving their scholarly competence. They accept the obligation to exercise critical self-discipline and judgment in using, extending, and transmitting knowledge. They practice intellectual honesty. Although they may follow subsidiary interests, these interests must never seriously hamper or compromise their freedom of inquiry.
2. As teachers, bargaining unit members encourage the free pursuit of learning in their students. They hold before their students the best scholarly standards of their disciplines. They demonstrate respect for the students as an individual and adhere to their proper roles as intellectual guides and counselors. They make every reasonable effort to foster honest academic conduct and to assure that their evaluation of students reflects the students' true merit. They respect the confidential nature of the relationship between professor and student. They avoid any exploitation of students for their private advantage and acknowledge significant assistance from the students. They protect the students' academic freedom.
3. As colleagues, bargaining unit members have obligations that derive from common membership in the community of scholars. They respect and defend the free inquiry of their associates. In the exchange of criticism and ideas they show due respect for the opinions of others. They acknowledge their academic debts and strive to be objective in their professional judgment of colleagues. They accept their share of faculty responsibilities for the governance of the institution.
4. As a member of their institution, bargaining unit members seek above all to be effective teachers and scholars. Although they observe the stated regulations of the institution, provided those do not contravene academic freedom, they maintain their right to criticize and seek revision. They determine the amount and character of the work they do outside their institution with due regard to their paramount responsibilities within it. When considering the interruption or termination of their services, they recognize the effect of their decision upon the program of the institution and give due notice of their intentions.
5. As members of their communities, bargaining unit members have the rights and obligations of any citizen. They measure the urgency of these obligations in light of their responsibilities to their subjects, to their students, to their profession, and to their institution. When they speak or act as private persons they avoid creating the impression that they speak or act for their college or university. As citizens engaged in a profession that depends upon freedom for its health and integrity, bargaining unit members have a particular

obligation to promote conditions of free inquiry and to further public understanding of academic freedom.

B. Academic Freedom

1. Academic Freedom in Research

Bargaining unit members are entitled to full freedom in research and in the publication of the results, subject to the adequate performance of their other academic duties; but research for pecuniary return should be based upon an understanding with the authorities of the institution.

2. Academic Freedom in the Classroom

Bargaining unit members are entitled to freedom in the classroom in discussing their subjects, but they should be careful not to introduce into their teaching controversial matter which has no relation to their subjects.

3. Academic Freedom as Citizens

Bargaining unit members are citizens, members of the learned profession, and officers of the Cincinnati State Technical and Community College. When they speak or write as citizens, they should be free from institutional censorship or discipline, but their special position in the community imposes special obligations. As people of learning and educational officers, they should remember that the public may judge their profession and their institution by their utterances. Hence, they should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that they are not institutional spokespersons.

Article 17

No Strikes or Lockouts

During the term of this Agreement, no member of the bargaining unit shall withhold services, or engage in any strike, slowdown, or refusal to perform assigned duties, or interrupt the normal operations of the College. If there is a violation of this paragraph, the involved members of the bargaining unit will be subject to disciplinary action.

The College agrees that there shall be no lockouts during the term of this Agreement. Violation of this paragraph by the College shall subject the College to the grievance procedure contained herein and, upon proof of a lockout, subject the College to a requirement to pay the wages of those employees locked out for the period of the lockout.

Article 18

Employment Outside the College

Members of the bargaining unit may be employed outside of the College in any capacity, including consulting. Such activities must:

- A. Not involve the use of information obtained from College sources which is not available to members of the general public pursuant to the Ohio Public Records Law;
- B. Not create a conflict with the employee's responsibilities to the College or interfere with the individual's full-time responsibilities to the College or its students;
- C. Not involve the use of facilities, equipment, or material of the College; and
- D. Not take advantage of a bargaining unit member's position with the College to sell goods or services to students of the College. However, it shall not be regarded as a violation of this standard for a member of the bargaining unit's own books or text materials, in whatever form, to be used in courses the faculty member teaches, provided that those materials have been adopted through the standard departmental or divisional adoption procedures, and are available through the College bookstore.

Article 19

Separability

If any tribunal (including, but not limited to, a court of competent jurisdiction or any administrative agency or governmental body having jurisdiction), adjudges any article, section or clause in this Agreement to be in conflict with any law, regulation or affirmative action obligation, all remaining articles, sections and clauses which are not rendered meaningless, inoperable, or ambiguous as a result of the judgment shall remain in full force and effect for the duration of this Agreement. In the event any article, section, or clause is adjudged to be unlawful and if the College or the AAUP so requests, the Parties will meet and discuss a lawful alternative provision.

Article 20

Entirety

This written Agreement constitutes the entire agreement between the College and the AAUP and supersedes and replaces any and all agreements, whether written or oral, or expressed or implied, between and concerning the College and the AAUP.

Article 21

Waiver

The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all the terms and conditions herein. The non-exercise of rights retained by the College or of rights obtained by the AAUP shall not be deemed to waive any such rights or the right to exercise them in some way in the future.

Article 22

Success Incentives Compensation

During the term of this Agreement, Success Incentives Compensation for members of the AAUP bargaining unit will be awarded using these criteria:

1. **The College must achieve the minimum credit hour enrollment** levels listed below, as measured on the 15th day of the semester and reported to the Ohio Department of Education (with copy to the AAUP President), or no Success Incentives Compensation is awarded. (Credit hour number excludes College Credit Plus students and students enrolled in Workforce Development Center credit-bearing courses.)

- **For Spring semester 2019:** minimum 55,300 credit hours
- **For Spring semester 2020:** minimum 59,365 credit hours

2. *If the minimum credit hour enrollment is achieved, then bargaining unit members may earn Success Incentive Compensation based on achieving benchmarks using three Success Metrics* (key performance indicators) below. Funds will be added to a Success Incentives Compensation Pool for each Success Metric achieved.

- **Student persistence rate:** a student is enrolled in both Fall and Spring semesters of the same academic year. This metric is shown as a percentage in the charts below.
- **Student credit completion rate:** the total number of credit hours a student earned with passing grades (D or higher), divided by the total number of credit hours that student attempted in the semester. This metric is shown as a percentage in the charts below.
- **Student average credit hours earned:** the number of credits a student completed, with minimum D or “passing” grades, averaged for Spring and Fall semesters of the same academic year.

The benchmarks for earning Success Incentives Compensation, as shown in the chart below, are based on raising success levels above what was actually achieved in academic year 2017-18. Historical data was provided by Cincinnati State’s Institutional Research Department.

During the period of this Agreement, Institutional Research will provide benchmark data for relevant semesters to the AAUP President on or before June 10 each year.

3. **Compensation earned from the Compensation Pool will be paid out as a lump sum**, added to each bargaining unit member’s paycheck in the first pay period after the start of the new fiscal year (July 1, 2019, and July 1, 2020).

4. **To be eligible for an incentive pay-out in July 2019**, the unit member must have been employed on or before the first day of the Fall 2018 Semester and continuously employed through the last day of the Spring 2019 Semester. **To be eligible for an incentive pay-out in July 2020**, the unit member must have been employed on or before the first day of the Fall 2019 Semester and continuously employed through the last day of the Spring 2020 Semester.

Note: If the Compensation Pool contains \$65,000, each unit member's Success Incentives Compensation would be *roughly* \$400.

Health Benefit Plan

RELEVANT AUGUST 27, 2018 – AUGUST 23, 2020

Article 12(N) of this Agreement states that the College administration and the AAUP will continue to collaborate throughout the term of the Agreement in reviewing and assessing the employee benefit plan and design.

Prior to execution of this Agreement, the College administration and the AAUP engaged in discussions, through a Health Benefits Task Force that included representatives of all College bargaining units, of redesign of the health benefit plan covering all College employees.

The effective date for the redesigned plan shall be January 1, 2019. Until that time, the status quo health benefit plan shall be maintained.

Details related to the planned changes, to the extent to which they are confirmed as of July 31, 2018, are summarized below.

- In academic year 2018-2019, there will be two open enrollment periods: one in fall for health insurance benefits that are effective January 1 through June 30, 2019, and another in spring for the new health insurance benefits year that will begin July 1, 2019.
- As of July 1, 2019, the College will contribute to the Health Savings Accounts for those employees enrolled in the High Deductible Health Plan (HDHP). The College shall contribute twenty percent (20%) of the Internal Revenue Service limits, with no employee-matching requirement.
- As of July 1, 2020, an annual spousal surcharge of \$1,200 shall apply to spouses of bargaining unit members covered by College insurance, if the spouse has access to employer-sponsored insurance through an employer that is not Cincinnati State.
