The Cincinnati State Chapter of the American Association of University Professors (AAUP) awards two scholarships (up to \$1,000 each) to current Cincinnati State students who meet the criteria below.

- AAUP Scholarships are intended to assist current Cincinnati State students who have demonstrated academic excellence while pursuing an associate's degree.
- AAUP Scholarships are awarded by a vote of the AAUP Executive Committee, based on recommendations made by the AAUP Scholarship Committee (members appointed by the Executive Committee).

- For the John M. Battistone Scholarship, in addition to criteria below, *preference* is given to a student who has a labor union affiliation. (May be the student or a family member who belongs to a labor union.) However, union affiliation is not required to receive the scholarship.
